

### *Muziek is onze inspiratie*

Het ontwerp, de vormgeving en constructie van de Grand Crescendo komen in grote lijnen geheel overeen met de Crescendo; de afmetingen van de klankkast zijn echter wat groter en deze luidspreker is uitgevoerd met 30 cm coaxiaal breedband weergever type KM30 SAG of, naar keuze, met de H30LB15 SAG midden/lagetoon weergever in combinatie met de hogetoon weergever type TW37.
